

Public Schools of Robeson County Telephone Consumer Protection Act Notification

The FCC requires that the Public Schools of Robeson County seek written permission for parents/guardians to be contacted by telephone/text through an automatic dialing system (e.g “Robo Calls”). Please complete the form below and return it to your child’s school. *If you have more than one child, a form should be completed and returned for EACH CHILD.*

Please be aware that parents/guardians who decline permission may miss important information from the schools such as attendance and community outreach. Parents/Guardians who opt out of receiving these communications will not receive any mass notifications from the school.(Parents will still receive emergency notifications from the school and/or District Office.)
