I can describe how communities change over time.  

I can explain why rules and procedures are important.
I can describe the role of authority figures.

CC 1.C&G.1.2

I can create and interpret a basic map including the key with symbols to represent landforms, bodies of water, streets, etc.

CC 1.G.1.1
I can understand the purpose of map tools and how to use them.  

I can tell why folklore and celebrations are important in communities.
I can tell why we celebrate holidays.

CC 1.H.1.3

I can compare the languages, traditions and holidays in different cultures.

CC 1.C.1.1
I can tell how people change the environment to meet their needs.  

I can tell examples of basic natural resources and how people use and conserve natural resources.
I can tell how where I live affects how I live.

I can describe how people earn money to buy goods and services.
I can give examples of goods and services.

I can tell how supply and demand affects our choices.
I can read books to learn about other cultures

CC 1.C.1.2
I can recognize features and patterns of the earth, moon and sun.  

I can name the properties of earth materials such as rocks, soil, minerals and water and tell how they are useful.
I can compare soil samples from different places and tell about their abilities to hold water and help plants grow. (CC 1.E.2.2)

I can tell how humans protect their environment and the animals that live there. (CC 1.L.1.3)
I can tell about and give examples of the needs of plants and animals.

I can tell that plants and animals depend on their environment to survive.
I can describe how you can use a force to move an object without touching it.  

I can model how push and pull changes the motion of an object.
I can make a reasonable prediction of a given force on the motion of an object. CC 1.P.1.3
Thanks for downloading my Common Core I Can Statements. I hope that you and your students will enjoy it and find it useful. Common Core is new to us all. My goal with this set was to make it easy to use as well as accent classroom décor. This unit is designed to supplement your current teaching practices.

Please consider providing me feedback after your download. I am constantly trying to improve my products and your input is vital to that process.

Please check out my blog Twins, Teaching and Tacos.
