## **Public Schools of Robeson County Administrative Professionals Recognizes Administrators and Awards Scholarships at Annual Banquet**

Dozens of children from across the district took center stage at the Public Schools of Robeson County Educational Office Professionals Annual banquet as they put on a dramatization called "Just Believe." The event honors district administrators, awards scholarships and installs new officers within the association.

The organization has a membership of 150 administrative assistants across the Public Schools of Robeson County. During the banquet, PSRCAEOP awarded one \$1200 scholarship to a senior from each of the seven high schools in the district. The administrative professional association raises money throughout the year for scholarships.

The association also recognized the Administrator of the Year as Tona M. Jacobs who is the principal of Pembroke Elementary School. Renet McQueen, the leaving PSRCAEOP President, was recognized as the Educational Office Professional of the Year for PSRC.

The new President of the PSRC Educational Office Professionals is Valerie Bethea. The incoming officers are Pattie Mitchell and Sandra Dial.
