

SHELTER-IN-PLACE or LOCKDOWN DRILL LOG

Child care centers must conduct a shelter-in-place or lockdown drill, as defined in 10A NCAC 09.0102, at least every three months. Child Care Rule .0605(s). They must keep a record that includes the date of each drill, time of day, the length of time to reach the designated location and the signature of the person conducting the drill. Child Care Rule .0302(d)(8).
